How to solve  
the puzzle of  
Adaptive  
Re-use

### Event Synopsis

Join the Los Angeles Headquarters Association to learn more about LA's new adaptive re-use ordinance, and how to make office to housing conversion projects pencil.

Moderated by **Frances Anderton**, author of 'Common Ground: Multifamily Housing in Los Angeles', our panel discussion will center on ways of threading the needle to re-purpose LA's existing building stock for housing and other uses. The panel will include a diverse group of voices from the fields of design, real estate, and public policy.
