

Urban Revitalization.

The 8th Annual Architects Panel

Join us for a dialogue with premier Los Angeles architects showcasing a panel of esteemed design thought leaders with impressive projects to share, some for the first time! Our theme this year is urban revitalization, and we look forward to diving into the opportunities and challenges of a post-pandemic reality.

After roundtable discussions led by local architecture firms, Kelly Farrell of Gensler will moderate a dialogue with design leaders from RIOS, RELM, SOM, and CO Architects.
